UPDATED JUNE 2022

DIAMOND V

Small Compact & Powerful

Compact and powerful, the Diamond-V has an anodised finish with diamond cut edges. The new improved vertical model features a brushless motor with heating options saving energy consumption.

Titanium, Rose Gold, Silver

JET DRY EXECUTIVE II

High Speed, Energy Efficient

The Jet Dry Executive II is a sleek, stylish hand dryer with smooth curving lines on all surfaces. Approved for use in the food and beverage industry. HEPA filter for a more hygienic washroom

Pearl White, Platinum

AIRFORCE

High Speed Low Energy

The Airforce unique multi jet air delivery provides tempered air via 11 nozzles at 330km/h. A Steri-Touch antimicrobial coating and a vandal resistant cover with a unique design that complements any washroom décor.

White, Black, Chrome, Brushed Stainless Steel

AIRJET

The Power of Efficiency

The Airjet offers a first-hand drying experience, leading the way in sanitation and hygienic technologies, efficiency and sound quality. Hygienic - HEPA Filter captures 99.97% of pollutants. Surface mounted, low profile, 100mm from wall.

White, Brushed Stainless Steel

SD100

Economical & Reliable

The SD100 is a heavy duty hand dryer. Die cast aluminum vandal resistant cover. Proven to be reliable, easy to use and economical with face drying option, this hand dryer has a pre-wired base plate system for easy removal.

MASTER AIR

Whisper Quiet

The Master Air hand dryer is a sophisticated, whisper quiet hand dryer that adds a touch of elegance to the washroom. The Master Air is ideal where space is premium or low sound levels are a prerequisite.

White, Natural Steel, Black, Stainless Steel
