A SOLUTION FOR BUSINESS CONSUMABLES

AlSCO Uniforms offers an amazing variety of cleaning consumables that keep washrooms, kitchens and workplaces, clean, hygienic and presentable with the option of regular restocking. Let us worry about your soap, tissues, napkins, wipes, cloths, bin liners, cafeteria and other consumables that need regular refills.

JANITORIAL & DISPOSABLES

Our extensive range of janitorial equipment and supplies together with our cost effective selection of disposables, is utilised and trusted by dozens of professional cleaning companies throughout New Zealand.

All manufacturers have been carefully selected following extensive product testing and evaluation of international standards and certifications.

PAPER

Whenever you need to wipe, dry, clean or polish - we take care of it. Our range of dispensers, refills and services are designed to meet the specific needs of washrooms, industrial environments, kitchens and dining areas.

TOILET TISSUE

A wide range of hygiene tissue in different sizes and formats. Jumbo rolls for the busiest toilets to conventional toilet paper.

FACIAL TISSUES

Show your guests you care about their comfort and hygiene by offering soft and absorbent facial tissues, which come in a flat box style, ideal for vanity or in-wall dispensers.

PAPER TOWELS

Whether you're looking to equip washrooms that accommodate thousands of visitors per day, or you want to provide a luxury experience for a handful of guests we have the paper towel to suit your specific need.

NAPKINS & WIPES

Whether it is creating the perfect experience for your guest with our table napkins, or cleaning up a spill with our kitchen towel rolls or wiping cloths we have you covered with our large range of paper consumables.

Most dispensers are provided for all consumable products on a free-on-loan basis with a small installation fee and continuing management provided by AlSCO Uniforms and Fresh & Clean.

SOAP & SANITISER

In running a business, there are a million details to take care of. We aim to make washroom products the least of your concerns! Choose from a range of hand soap and sanitiser.

Foam Soap

Soft and luxurious, foam soap leaves users with clean and moisturised hands. Sealed refill bottles reduce the risk of cross-contamination when loading in their compatible dispensers.

Liquid Soap

Ensure the most effective cleaning by choosing the right formulation for your needs. Formulations include mild, extra hygiene, oil and grease, hair and body, and sanitising alcohol gel.

Heavy Duty Soap

Our heavy duty soap with natural grit is designed for industrial environments, where it is important to have an effective hand-washing and cleaning solution that can remove heavy dirt, oil and grease, whilst being kind to the skin.

Sanitiser

Whether your business requires an extra boost against pathogens, or frequent hand cleaning without access to water, hand sanitiser is a great option. Our high-quality formulations are easy on skin and contain moisturising ingredients, leaving hands refreshed and healthy.

Barrier & Restorative Creams

Create a barrier to protect hands against skin irritation from sticky, irritating and staining industrial substances with a water soluble, greaseless barrier cream.

Correctly labelled and appropriate applicator bottles ensure lower cost in use and mean considerably less waste.

Lowest overall costs are achieved with a focus on a quality, compliant and supported product offer like our 5lt and 20lt range. Don't get caught in the cheap-trap!

CHEMICALS

Quality cleaning chemicals for a cleaner environment.

Our range of janitorial, multipurpose, washroom, kitchen and flooring products are not only effective but also biodegradable for safer use and cleaner environment.

Our range is manufactured locally, some having MPI (formerly NZFSA) Approval. Along with the product we supply a Safety Data Sheet (SDS) and Product Information Sheet outlining procedures on mixing, application and frequency of use. We can produce a simple customised colour Chemical Wall Chart for your business.

With increased emphasis on Health and Safety in the workplace, Fresh & Clean provides complementary services to assist our customers in meeting OSH requirements. Staff training to increase awareness and ensure safe handling of our products is available. A certificate of Chemical Awareness and Safety will be issued on successful completion of training.

Customised wall charts are a prime visual aid training tool, rapidly giving staff exact cleaning and sanitising instructions, standards, and safety tips.
