WE'VE GOT YOU COVERED

ALSCO FRESH*
UNIFORMS® & CLEAN

A woman with a friendly smile, wearing a white lab coat and a white hairnet, stands in a cleanroom or laboratory environment. The background is slightly blurred, showing industrial equipment and bright lighting.

READY FOR ANYTHING

THE SOLUTION FOR PROFESSIONAL, CLEAN UNIFORMS EVERY DAY

Your uniforms matter. Nothing says success like a team in clean, smart, professional attire. At AlSCO Uniforms, we prioritise your staff's appearance.

As New Zealand's leader in food processing and cleanroom garments, we specialise in environments where hygiene and cleanliness are critical. We've got you covered.

FOR SAFETY, SERVICE, HOSPITALITY, AND MANUFACTURING.

AlSCO Uniforms provides durable and comfortable uniforms for all shapes and sizes, ensuring your team is always well-equipped for any job.

Custom-designed for modern environments, our uniforms come in polycotton blends, robust cotton drill and more, tailored to meet your unique needs.

With our Managed Uniform Rental Service, we handle everything from pickup to delivery, ensuring your team always has fresh, clean uniforms.

Keep your people looking smart and professional every day.

GARMENT

ALSCO UNIFORMS: COMPREHENSIVE MANAGEMENT SERVICE FOR WORK GARMENTS

The AlSCO Uniforms Garment Rental Service offers an easy, economical solution for all your workwear needs. We handle weekly laundering, repairs, replacements, size changes, storage, and disposal. Our flexible service levels provide cost-effective, tailor-made solutions for your business.

Our garments, supplied by Deane Apparel, are renowned for their toughness, functionality, and longevity. Deane, having manufactured garments since the 1930s, has achieved iconic status in the workwear industry by designing and manufacturing garments specially for the demands of the workplace. Every Deane garment is crafted with rigorous construction techniques and high-performance fabrics and components, ensuring they excel in your work environment.

PARTNER WITH INTERTEK FOR ETHICAL SOURCING

Intertek's Role: Intertek conducts the Workplace Conditions Assessment (WCA), an independent audit program. It evaluates factories on

Health and Safety: General work facility, emergency preparedness, occupational injury, machine safety, safety hazards, chemical and hazardous material, dormitory and canteen.

Management Systems: Documentation and records, worker feedback and participation, audits and corrective action process.

Labour: Child/forced labour, discrimination, discipline, harassment/abuse, freedom of association, labour contracts.

Environment: Legal compliance, environmental management systems, waste and air emissions.

Wages & Hours: Wages, benefits, working hours.

ALSCO UNIFORMS: GARMENT MANUFACTURING SUPPLY CHAIN

Our longstanding global manufacturing partner network

- ✓ Risk Mitigation
- ✓ Flexibility for Small & Large Volumes
- ✓ Ethical

How AlSCO Uniforms Uses Intertek

- We ensure our factories meet industry standards by having Intertek perform annual audits.
- These audits provide documented, independent assurance of compliance with best practices.
- This process helps us maintain high standards in health, safety, management, labour, environment, and wages.

FOOD MANUFACTURING

Our Food Industry Workwear Range is purpose-designed to meet health and safety guidelines while offering the latest in fabric technology and modern design. Safe, comfortable, and easy to maintain, our range includes:

Dustcoats

- Knee-length style suitable for the food industry.
- Concealed stainless steel dome front.
- Internal pockets.
- Ribbed or plain sleeves.

Jerkins

- Polycotton open V-neck design with collar.
- Closed front, inset sleeves.
- Ribbed cuffs and side seam splits for comfort and practicality.

Trousers

- Polycotton fabric with elasticated waist.
- Side seam pockets for a comfortable fit.

Overalls

- Lightweight polyester-cotton blend.
- Internal pockets and cuffed sleeves.
- Resistant to corrosive chemicals and lint-free, ideal for cleanroom environments.

Upgrade your team's workwear with our durable and stylish options designed specifically for the food industry.

HOSPITALITY

Alsco Uniforms offers a premium range of Hospitality Workwear and Chef clothing, ensuring that every chef and kitchen employee looks professional and meets food industry hygiene standards.

Cutting Edge Chefs Range

- Jackets are available in short or long sleeve, with a choice of black or white.
- Choice of black or check trousers.
- Designed for comfort during long, hot shifts.
- Durable enough to withstand daily laundering.

Aprons
