## KITCHEN

No matter your industry, having clean, quality tea towels and reusable wipes around isn't just handy. It's also hygienic, and reflects your business positively.

### Tea Towels

AlSCO Uniforms' signature, patterned towels are absorbent, 100% cotton and available in two colours and qualities to match your business needs.

### Food & Glass Wipes

Our food safety compliant wipes are bio-degradable, highly absorbent, durable and reusable to keep your glass and food surfaces clean and sparkling.

### Microfibre Cloths

Leave no lint or streaks behind these HACCP-compliant colour coded microfibre cloths hold up to eight times their weight in water and can clean nearly any surface with just water - no need to use any chemicals.

## DINING

There's no look in a restaurant more reassuring to a patron than the appearance of clean and fresh table linen. It sets the mood and image of your whole establishment.

### Table Cloths

Impress your customers and keep your restaurant's ambiance and image impeccably high with elegant, crisp linens 24/7. Black or white, our linens are expertly-sourced and come in a variety of shapes and sizes to match your needs and budget.

### Napkins

For that quality dining experience match your table cloth with an elegant black or white napkin or as a stand alone item.

## BEDROOM

Only the smoothest, softest, most luxurious linens will do for your guests. Indulge your clientele in luxurious, high thread-count, 100% cotton linens in a range of sizes.

You can choose from our wide variety of absorbent bedroom linen sheets and pillow cases to fit single, queen or king beds that will suit your needs and budget and will create a memorable experience for your clients.
